

6th Varaždin disc golf challenge

November 2-5 • 2017

Course Map Info:

From hole 21 to hole 1 we will provide a shuttle service for each flight. On holes 1-9 the creek and everything on the other side of it is OB. The same applies to the Drava river and everything over the river ;) Concrete or asphalt areas or roads (white on the map) are OB on all holes. OB area on holes 12 and 13 is agricultural field and small beets are growing there. To minimize the damage walk to the "island" and of it only on a marked path. While moving of the path to collect your OB discs try to avoid stepping on plants. The area behind a fence by the hole 16 is OB. All mandatories have a drop zone and in case of a miss you continue from the drop zone with one penalty throw added to your score.

Special stuff:

1 - is a "Stargate" (special tournament rule) - you can get through the double mandatory only from the front side. There is no drop zone. If you miss the mando you need to go around the trees and back

6 - red area is Hazard zone. If your disc comes to rest in the Hazard zone you play from your lie but add one penalty stroke to your score

7 - red stripes area is Buncr Hazard. Every shot that comes to rest in Buncr Hazard is played from your previous lie with with no penalty.

12 - there are two Drop zones. If you land in the OB you play from DZ1 and add one penalty stroke to your score. If your disc land in the OB once again you move to DZ2 with no additional penalties.
